# **ABERFELDY REDUCTION SALE**

**Milton, Ontario**

**June 16, 1973**

Seated: Helen and Reford Gardhouse; Standing: left to right — son-in-law, Doug McDonell; daughter, Carolyn McDonell; granddaughter, Nancy McDonell; son, Doug Gardhouse; son, Larry Gardhouse.

## *Welcome*

Throughout the years, we have had many sales at Aberfeldy and your interest and support have indeed been appreciated.

Shorthorns have been a practical business for us. We have endeavoured to be leaders in type and quality in order to provide the most useful and profitable seed stock available.

Many changes have come about during the years, but none more pronounced than the present type trend. What have we done about it at Aberfeldy? A look at our herd bull battery and the strength of it is ample proof that we have made a sincere effort to obtain the best of this modern type.

It has been our pleasure to recently sell the first Canadian bred polled Shorthorn bull to Scotland.

Never has the future of the breed looked brighter or more exciting than at the present time.

Our decision to hold a reduction sale at this time has been one of hesitation and yet one of pleasure. We hesitate to sell as many brood cows and heifers as we are offering because many of these families have done a terrific job for us in the past. However, we are very pleased to share with fellow breeders these richly bred females carrying the service of our four reference sires.

Rest assured that Aberfeldy will continue breeding top quality Shorthorns. With our son, Douglas, returning home after obtaining his degree in Animal Science from the University of Guelph, much of the responsibilities in the reorganized Aberfeldy Farms will be his.

My wife, Helen, and all at Aberfeldy, join in extending a warm welcome to be with us for the Shorthorn Beef Barbeque, 7 p.m. June 15th and for the sale the following day June 16th.

Sincerely,  
Reford W. Gardhouse

## PRESALE BARBEQUE

You are cordially invited to attend a Presale Barbeque to be held at Aberfeldy Farms on Friday evening, June 15th, at 7:00 P.M.

Pictured above, left to right, are Larry Gardhouse, Reford Gardhouse, Doug Gardhouse, and Doug McDonnel as they prepare Butte Lee Apache 26th x for shipment by air to Scotland. Butte Lee Apache 26th x, one of the Aberfeldy herd sires and one of the service sires in this sale, has been purchased by Mr. Alan McKays, Manager of Drums Farms, Langbank, Renfrewshire. This farm is one of the many farm holdings of the J. Lithgow & Co., Ltd. throughout Scotland. They operate a very large dairy herd as well as an extensive beef operation.

**ABERFELDY HAS** — exported Shorthorns throughout the world!

**ABERFELDY HAS** — consistently used ton plus herd sires for the past 15 years!

**ABERFELDY HAS** — consistently shown Grand Champions for the past 15 years, most notably their 1972 show string!

**ABERFELDY HAS** — combined a superb group of Shorthorns and Polled Shorthorns for this sale.

**BUTTE LEE APACHE 26th x**—Is sired by Kodiak 2nd x. He is a class winner at the Regina Bull Sale, Grand Champion at the Western Fair, London, and Reserve Grand Champion, CNE, Toronto. His feeding index is 133. Sold recently to J. Lithgow Co., Ltd. in Scotland and to our knowledge is the first Canadian bred Polled Shorthorn bull to be exported to Scotland. Two calves by him sell at foot with their dams and several more will carry his service. Being a member of our 1972 show herd, Apache saw only limited use in the breeding herd. However, a large volume of semen has been stored in order that his use may be continued.

**BUTTE LEE LEADER 75th** — Is one heck of a GOOD SIRE — C.N.E. Grand Champion in 1970 — Royal Reserve Grand Champion 1970 — highest indexing bull of his year in the Butte Lee herd and his mature weight is 2,225 lbs. Five sons sell and several daughters as well as a number of calves at foot with their dams. We are offering more of these Leader females than we would like in order to share them with you and add to the strength of the offering. However, we are retaining a few as we are very pleased with their excellent type and quality.

**SOUTH PLAIN GALAXY 13B x**—Is sired by Cumberland Gay Lad x. His average daily gain on test at Saskatoon station was 3.45 lbs. He tied for top gain of the breed. Galaxy has great length is trim and clean throughout and carries a tremendous amount of muscling over his loin and rear quarters. There will be a number of his first calves selling at side of dams and more cows carrying his service. We are very fond of this Galaxy bull and he has attracted a lot of attention since his arrival at Aberfeldy.

**LANGPARK ROVER x**—Our newest polled addition to our Herd Bull battery and he is as modern and extreme in type as any bull of his age that we have seen. "Freight Train" is just as his nickname suggests . . . long, tall and rugged as they come. This bull was purchased from Jester Elliott of Alberta and we quote from his letter as follows: "These calves were kept on a very light ration of oats and hammered straw mixed. The idea has been to grow them out without fattening them. I am sure if this calf had been pushed he would have weighed from 1200 to 1250 pounds at a year of age." At two years of age he weighed 1750 with not a pound of fat on him. He has been used extensively and many of the sale heifers carry his service. We can assure you that you will be hearing a lot more of this bull in the near future.

**MANDALONG ROYAL AMBASSADOR x**—The great 2600 pound Australian sire who has been Grand Champion at the Royal Easter Show in Sydney, Australia and who has in turn sired both sons and daughters who have been Champions at the Royal Easter Show. There has been a very limited supply of semen used in North America from this bull and there are two outstanding sons in this Sale. There will not be any more semen imported into North America and just the progeny who are now available is all there will be. This is truly a chance to get one of the only sons there will be of one of the great bulls of the breed. His two sons, Lots 1 and 2 will be put into the ring together . . . you bid and take your choice . . . and Aberfeldy will retain the other as Junior Herd Sire.

LOT 1—ABERFELDY ROYAL AMBASSADOR 2nd x is on the left

LOT 2—ABERFELDY ROYAL AMBASSADOR 3rd x is on the right

This is a rare opportunity to buy sons of the great Mandalong Royal Ambassador (P). See Reference Sire E. These bulls will enter the ring at the same time and you will be able to buy choice. This is a blood line from which a very limited supply of cattle will be produced in North America. As you can see, these bulls are  $\frac{3}{4}$  brothers and are almost identical. Whichever bull is selected will surely write herd bull history in the future, as well as the one that will be retained by Aberfeldy. For those who are looking for a truly outcross bull, and one that is bred to both size and quality, one of these bulls is your answer.
